Annual Supporting Corporation Information

Levels of Support

Why become a Supporting Corporation?

SIRS is dedicated to the exchange of cutting edge scientific research and training across the world. Your support will help to further our mission.

Supporting Corporation Membership Benefits:

- Congress participants are keen to improve their scientific knowledge. Aligning your company with SIRS demonstrates your commitment to that common goal.
- Your support provides an opportunity to build relationships between your staff and SIRS members and congress participants.
- Networking opportunities with professionals from over 50 countries.
- Your company's involvement, commitment and support for the Society will be widely acknowledged as outlined in this brochure.
- Your support will contribute to the success of the Society, to its congresses, and to advancing scientific knowledge about this devastating disease.
