17-21 April 2021

VIRTUAL CONFERENCE

*Bringing Precision Medicine
to Mental Health Services*

CALL FOR PROPOSALS

We are excited to invite you to participate in the 2021 Congress of the Schizophrenia International Research Society (SIRS) to be held in a virtual format, 17-21 April 2021. SIRS first North American annual congress in 2019 attracted almost 900 researchers from 38 countries. This year's theme is *Bringing Precision Medicine to Mental Health Services*.

The Program Committee is now requesting proposals for the following presentation:

Symposium Deadline: 21 October 2020
