

Opportunities Open for Psychiatrists Cambridge Health Alliance at Harvard Medical School

The Cambridge Health Alliance (CHA) Department of Psychiatry, Harvard Medical School, is expanding its department with new leadership and innovative programs that integrate patient care, teaching and research. CHA's psychiatry teams provide compassionate care to patients of diverse socioeconomic and cultural backgrounds and have deep connections within the university and general Cambridge and Boston community. As a major teaching hospital for Harvard Medical School, CHA offers ample opportunities for academic pursuits in research and teaching of medical students, residents and fellows. It offers competitive compensation packages and comprehensive benefits for employees and their families. Ideal Candidates will have a strong commitment to providing high quality evidence-based and innovative care to our multicultural community of underinsured patients.

Candidates must meet the metrics for an academic appointment at Harvard Medical School (HMS) at the level of instructor, assistant or associate professor.

Psychiatry Opportunities Open: Medical Director positions, child and adolescent inpatient and outpatient psychiatrists, adult psychiatrists for a large expanding outpatient program integrated into primary care, child psychiatrists for an expanding inpatient and outpatient developmental psychiatry program funded by the State of Massachusetts, and geriatric psychiatrists.
