 - Yes, I attest that I meet these eligibility requirements.

2. Title of Proposal

Instruction: The title page with the title of the project, the name, affiliation, title, address, phone number and email address of the applicant, and the address of the location where the funding will be held.

Input Text, no word limit

3. Hypothesis

Input Text, 500 words max.

4. Aim(s)

Input Text, 500 words max.

5. Methods

Input Text, 500 words max.

6. Anticipated Results

Input Text, 500 words max.

7. Significance and Innovation

Instruction: Significance to the understanding, prevention or treatment of Schizophrenia and application to clinical care.

Input Text, 500 words max.

8. Figure Upload

Instruction: You may upload one figure. Max file size: 8 MB

9. Proposed Budget

Instruction: Please upload a one-page proposed budget with the allotted maximum being \$12,000 USD. Each item should have its justification. Funds may include the costs of laboratory tests or imaging procedures and may also cover payments to consultants who can aid in analyzing the data or who provide specific examples not covered by applicant. The funds are meant to only apply to direct costs of the research project itself.

Upload (PDF) Max file size: 8 MB

10. Needs and Funding Statement

Instruction: Please upload a statement from the applicant with a needs statement about the lack of funds to perform this project and statement of financial need. The statement must also list all other active funding with dates of start and completion, and topic.

Please detail any existing resources (e.g., mentor or institutional, such as lab space, referring clinics, equipment) that are available for this project.

Upload (PDF) Max file size: 8 MB

11. CV Information

Instruction: Education/Training (Begin with baccalaureate or other initial professional education, such as nursing, include postdoctoral training and residency training if applicable. For each, Indicate institution and location, degree (if applicable), completion date (MM/YYYY) and field of study

Input Text, no word limit

12. CV Information

Instruction: Positions and scientific appointments

Input Text, no word limit

13. CV Information

Instruction: Honors and Awards

Input Text, no word limit

14. CV Information

Instruction: Publications: List up to 10 of your most relevant publications, and include a full link with your complete bibliography

Input Text, no word limit

15. CV Information

Instruction: Presentations/Abstracts: List up to 10 presentations/abstracts

Input Text, no word limit

16. Supporting Letter

Instruction: Please upload a supporting letter from your institution agreeing to host the funds. The letter writer should describe their institutional role and relationship to the applicant. Note this is not a letter of recommendation.

Upload (PDF) Max file size: 8 MB

17. Personal Statement

Instruction: Briefly describe your reason for submitting this application and why you are well-suited for your role(s) in this project. Relevant factors may include aspects of your training; your previous experimental work on this specific topic or related topics; your technical expertise; your collaborators or scientific environment; and/or your past performance in this or related fields, including ongoing and completed research projects to which you want to draw attention. Briefly describe your future goals and indicate how this funding will allow you to do something that you could not otherwise do.

Input Text, 500 words max.
